REST APIs

SAYAN SENGUPTA

JAVA Developer | JAVA, Hibernate, Spring Boot, Restful Webservices, Microservices
Bengaluru, Karnataka, India

Summary

Passionate and performance-driven with hands-on experience in building scalable backend systems using Java, Spring Boot, Hibernate, and Microservices architecture.

Skilled in designing and developing RESTful APIs and delivering robust, production-ready code. I thrive in collaborative environments and am always eager to take on complex backend challenges that drive business value.
